Division Directors and Deputy Directors,

Please work with your division to provide hot issues to the SharePoint document (see link below) for Cathy's teleconference with IEPA on April 17, 2019. I left the format for this document the same as the Hot Issues documents in the past. Please have the updates added to your **Division-specific sections**.

**All updates must be added to the Sharepoint document by the Due Date. Everyone should have access to the document.**

I will also forward this email to management/staff in your division assigned to coordinate your Hot Issues summaries (see below).
